Dear Parents/ Guardians,

Cordial greetings. Hope you all are keeping well by the grace of God. I would like to thank you for your wholehearted support for the online classes and teaching material which were made available to all the students of our school through Zoom and WhatsApp group. Let us continue to support one another during this critical time of pandemic and remain optimistic to face the uncertain future. Let me brief you about the forthcoming events:

**Summer Vacation:** The Summer Vacation for all classes begins from **May 18, 2020**. The online classes will not be held during the summer vacation. However, the students are encouraged to spend significant time in regular studies, completing the pending work/projects and other related creative work. No homework is assigned to the students but are accepted to revise the portion completed. Extra classes for few subjects for class XII are still continuing.

**Re-opening of the school:** As mentioned earlier, nothing is certain at this juncture. However, all the students should be mentally prepared to resume regular school life when announced by the government in this regard. Various suggestions are being proposed to HRD Ministry with regard to opening of the schools all over the country. We will await for the official notification from the government.

The online classes for Classes IX – XII will resume from June 1, 2020 and for KG Section and classes I to VIII will resume from June 22, 2020 till the school reopens. A regular time schedule will be drawn up. It is mandatory for all the students to attend the online classes. Attendance will be taken too.

**Submission of Worksheets:** All the worksheets need to be submitted to your respective teachers for assessment when the regular classes resume. All the students are requested to complete the worksheets and preserve them subject-wise in a file.

**Online Assessment I: Online Assessment I** was conducted for all classes from **May 11-18, 2020**.

**Teacher's Training Program on Online Classes:** Management and Teachers are continuously working hard to provide the students best through Online Classes. Teachers are given online training by the experts from EXTRAMARKS to conduct online classes in an organized way. The subject content material will be supported by EXTRAMARKS.

**Our fervent gratitude to the parents who have deposited the School Fee which will be a helping hand in making payment of salary for the month of May. We sincerely seek kind cooperation from remaining parents.**

**Office Timing during Summer Vacation:** The school office will remain open on all working days from 9:00 am to 12:30 pm. In Case you visit the school campus, kindly follow the safety norms.
