General Circular No. 9: 2020 – 2021

17 February 2021

Dear Parents,

Greetings!!

It gives me profound delight to extend my gratitude towards the parents for their sincerest support and the faith in the Management. According to the order of the State Government, the schools are re-opened for grade VI to XII. It is exhilarating to see the joyous faces of our children in the school premises. I hope to see many more students as the parents are confident enough with the SOP guidelines followed in the school. As the Final Exam is approaching, I would appreciate if the students attend the school in large number, so as to gain and benefit the academic excellence. As Honorable Supreme Court's interim order dated on 8 February 2021, parents are expected to pay 100% of the fees. The Management of the school is entitled to collect fees from the students as notified for the academic year 2020-2021. No students will be debarred from attending class on account of non-payment of fees but the parents have to sign an undertaking declaring that the outstanding dues will be paid in 6 easy installments and if convenient enough to pay the fee in one slot, please do the needful. For the smooth running of the institution, kindly follow the details of the fee structure:-

1. The school fees for the session 2020 -2021 is the same as the session 2019- 2020.
2. As per the Honorable Supreme Court, the balance fees due after deducting the amount paid by you from the total fees of 2020-2021 to be paid in installments from March 2021 till August 2021, that is, within 5 months. **The parents have the choice to clear the school dues of 2020-2021 in lesser installments, but the installments for the new academic session 2021-2022 will soon be updated and it also has to be regularized.**
3. Parents are requested to contact the school office for any calculation and clarification about the balance fee dues. Those who have deposited certain amount, may deposit the balance amount and clear the all dues of the academic session 2020-2021.
4. If Transfer Certificate is requested, then all the school dues are to be cleared when applying for the same. **It is once again reminded that all the directives of Honorable Supreme Court will be strictly followed.**
