

General Circular No. 2: 2021-22

8<sup>th</sup> May, 2021

Dear Parent,

Cordial greetings!!

Hope you all are keeping well by the grace of God. Let us all be together and be optimistic to face this uncertain future. We look forward for your cooperation and we ensure that all the information are updated in the respective class group by the teachers, and also on the school website, with regard to curricular and co-curricular activities. I would like to brief you with the forthcoming events:-

**Attendance:** - Kindly make sure that your ward attends her online classes regularly, as according to the CBSE rule 75% attendance is compulsory to appear for CBSE 10<sup>th</sup> & 12<sup>th</sup> Board examination, whereas, for grade 1 -9 & 11, 80% attendance is compulsory for the promotion to the next class.

**Submission of Notebooks:-** Notebooks of each subject will be assessed, therefore, complete your work regularly and the dates for the submission of the notebooks will be informed.

**Syllabus:** - The syllabus for the academic session 2021-22 according to term- wise are uploaded on the website.

**Submission of Answer-Scripts:** - All the answer paper of the Class Test need to be submitted to their respective subject teachers for the assessment once the regular classes resume offline, so please keep it safely in the folder.

**Project & Assignments** - Students will prepare projects of their particular subject on the basis of Art Integration, so as to enhance your ward's innovative and creative abilities. The Holiday homework and the assignments are uploaded on the website.

**Class Test:** - It was scheduled from 2 May - 10 May, 2021 for grade 1-10&12. It was of 20 marks for an hour. I hope you must have encouraged your ward to give an honest test. It was to assess their knowledge and understanding. Class Test was conducted on the basis of the syllabus covered in each subject and the marks obtained will be considered for the Internal Assessment.

New Session for Grade XI – The classes for grade XI has already commenced. Parents are requested to pay the fee for the first quarter as soon as possible, or, else, we assume the discontinuation of your ward with the institution. The list of students according to their subjects is posted on the website. The class groups also are created. The result of certain students are withheld, those will be discussed along with the parents and their ward once the school reopens in July.

**Teacher Training Program:** - The Management is continuously endeavoring hard to provide students the best online classes. Therefore, the teachers are given the online training and webinars to make their classroom management efficient and to create a conducive environment for learning.

**Summer vacations:** - It will begin from 10 May, 2021. There will be no online classes. Therefore, the students should complete their pending work and projects, do some creative work and revise thoroughly the portion completed.

**Re - opening:** - The tentative date of reopening of the school will be 21 June, 2021. If any change in the dates, it will be informed on the school website, keeping in mind the situation.

**Note:** - You are requested to pay the fee for the last academic session and also the First Quarter of the new academic session 2021-22(for grade1-12) as soon as possible.

Looking forward for your support and encouragement to face this pandemic. I pray for each one to be safe and healthy.

God bless you all!!
